Board Statement to the Reference and / or Experience Verifier:

This Board is required by law to ascertain that the applicant has met the experience requirement sections of the Licensure Law; therefore, we need this reference form completed, signed, sealed (if you are a PS), and returned by you. The Board is also required by law to obtain evidence of the good character and qualifications of applicants before licensure. We cannot consider an applicant for licensure or admit a candidate for examination until replies are received from references, including three Professional Surveyors. A prompt reply will expedite our handling of the applicant's request for licensure.

The Board desires to emphasize that evidence submitted on this form should not be perfunctory nor be made for the mere purpose of aiding the applicant to be licensed. On the contrary, the execution of this statement by any person will be accepted by the Board as a deliberate act made with full knowledge of the responsibility toward the public interest involved. Please be mindful that the applicant is not being considered for membership in an organization but for licensure as a Professional Surveyor, qualified to practice in Mississippi.

The completed form can be emailed directly to the Board Office at information@pepls.state.ms.us but must be received directly from the respondent. Forms submitted by the applicant will not be accepted. If you are using regular mail to submit the completed form, please seal the envelope and sign your name across the sealed flap. Please ensure that you have the correct mailing address and sufficient postage.

Please feel free to call us should additional clarification be needed.
